

In Your Sleep

Sentences

You already know that sentences begin with a capital letter. But did you know that depending on the type of sentence it is, it could end with a different symbol?

Here are the three types of sentences:

- 1. A statement** — a statement ends with a full stop (.)
For example: I went to the shop.
- 2. A question** — a question ends with a question mark (?)
For example: Where is my pencil?
- 3. An exclamation** — an exclamation ends with an exclamation mark (!)
For example: Help me!

1. Dad came running in from outside ___
2. Stop it ___
